The Women of Minneapolis are *Hot in Cleveland!*

By Judi Miller

Valerie Bertinelli, Valerie Harper, Cloris Leachman, Mary Tyler Moore, Wendie Malick, Betty White, Georgia Engle and Jane Leeves for an episode of *Hot in Cleveland*.

It's been more than 30 years since the beloved cast of *The Mary Tyler Moore* show got together to work on a sitcom stage, but they did just that when Mary Tyler Moore, Valerie Harper and Cloris Leachman joined Betty White and Georgia Engel on Stage 19 for an episode of *Hot in Cleveland!* In this episode, which filmed on April 5th and is scheduled to air on September 4th, Betty White's character Elka, along with friend Mamie (Engel), is on a mission to bring together the members of their old bowling team GLOB: Gorgeous Ladies of Bowling, which disbanded long ago. Of course, this team includes our old MTM friends.

This reunion was all the more poignant as it came about shortly after Valerie Harper's announcement that she is suffering from an incurable form of brain cancer.

As the ladies gathered for an interview the question of how the reunion came about was

posed, to which Leachman jokingly replied, "My agent called and said, this is happening, there's no money, but would you like to see Mary? So I said yeah, what the hell!"

When asked what it was like to be back together again, Harper exclaimed, "It's been wonderful! So full of life, joy, love and fun."

The summer season of *Hot in Cleveland* will kick off with a live episode on June 19th at 10 p.m. ET on TV Land.

Plans are currently in the works to honor Valerie Harper with a commemoration on Stage 16, where her show *Rhoda* landed after spinning off from *The Mary Tyler Moore Show* on Stage 2.

David Groh and Valerie Harper of *Rhoda*, which ran on Stage 16 from 1974-78 for 110 episodes.

Just Shoot Me Memorialized

By Judi Miller

The cast celebrates the 10th anniversary and the new plaque on Stage 12 commemorating *Just Shoot Me*.

On Sunday, April 14th, 2013, the cast of *Just Shoot Me*, George Segal, Laura San Giacomo, Wendie Malick, Enrico Colantoni and David Spade, along with creator and executive producer Steven Levitan, gathered at Stage 12 for the unveiling of a plaque memorializing the long-running Emmy® and Golden Globe® nominated series, which aired on NBC from March 1997 to September 2003.

Wendie Malick, fondly remembering her days spent on *Just Shoot Me*, stated “This was a particularly sweet chapter for all of us, and now Radford’s Stage 12 will forever be tagged!”
