PERFECT COUPLES

By Paul David Smith

The writing team of *Perfect Couples*.

Even *Perfect Couples* have their issues. In this new single-camera romantic comedy from NBC, a trio of engaging couples takes a comedic trial and error approach to life, love, and relationships. Dave (Kyle Bornheimer, *Worst Week*) and Julia (Christine Woods, *Flash Forward*) are the “normal” couple who sometimes sacrifice their own happiness to appease their friends. Vance, (Dave Walton, *100 Questions*) Dave’s needy best friend and his neurotic girlfriend Amy (Mary Elizabeth Ellis, *It’s*

Always Sunny in Philadelphia) have a passionate, tempestuous relationship. They bring out the good, the bad, and the very ugly in each other. The third couple features Rex (Hayes MacArthur, *She’s Out of My League*), a reformed party animal, and his wife, Leigh (Olivia Munn, *Attack of the Show*), who regards herself as the matriarch of the group. They believe they’re the relationship experts; they have the solution for every problem. The pilot showcases the group sharing fun, fights, shocking

admissions and a game night gone wrong.

Created by Jon Pollack (*30 Rock*), and Scott Silveri (*Friends*) and directed by Andy Ackerman (*Seinfeld*, *The New Adventures of Old Christine*), *Perfect Couples* was originally shot in Manhattan Beach and has since found a home at CBS Studio Center, on Stages 17 & 20. Sets are up, cameras are rolling, and the laughs are nonstop.

Look for *Perfect Couples* on NBC.
Game on!

Which Republic Pictures star was known as "The King of the Cowboys?"

ANSWER on page 4

The Eagle Has Landed... Again

By Lisa Cahan Davis

President of CBS Studio Center Michael Klausman and eighteen legendary Republic Pictures stars unveiled the new eagle sign on Wednesday, August 18, 2010 at CBS Studio Center, on the Western Walk of Fame. This event kicks off a month long commemoration of Republic Pictures 75th Anniversary coordinated by the Studio City Neighborhood Council's Cultural Affairs Committee. The Republic Pictures sign is affixed above the Carpenter Avenue gate. Founded in 1935 by Herbert J. Yates, Republic Pictures is recognized for its westerns, movie serials and B-films emphasizing mystery and action, the staples of Saturday afternoon matinees. Throughout its 24 year history, Republic launched the careers of John Wayne, Gene Autry, Roy Rogers and Rex Allen, and provided believable special effects for *The Adventures of Captain Marvel* and *Commando Cody: Sky Marshal of the Universe* serials. The former Republic Pictures lot is now home to CBS Studio Center.

On Saturday, September 25, 2010, free of charge to the public, a grand 75th anniversary celebration of Republic Pictures took place from 11 A.M. – 5 P.M. at CBS Studio Center. The day included celebrity speakers' forums; memorabilia

and merchant stands; live music and entertainment; Republic Pictures movies, serials and trailers; a children's art center, food and drink... and more!
